OUR CORE EXPERTISE

Products. Logistics. Services.

Salzgitter Mannesmann International is your single source for worldwide **TRADING** in steel and steel products, machinery, plant, chemicals or pharmaceutical raw materials. Just place the order and we do the rest.

We know the world's steel markets and can supply every type and grade of steel. Your personal contact is there to help, from the initial contact right through to the **DELIVERY** of the goods – someone who takes care of your interests and fulfils your demands.

Customer satisfaction is Salzgitter Mannesmann International's first priority: our customers can be certain that price/performance ratio is balanced; our quality and security standards are high; risk management is part of our service. Our customers enjoy the same level of care and professionalism all over the world supported by a central product management.

FIRST-CLASS PRODUCT MANAGEMENT IS THE KEY TO GLOBAL TRADING

Salzgitter Mannesmann International's strengths are a profound knowledge of the markets, a global presence and personal service. Above all, it is the consistently high quality of the products in which we trade that provides the basis of our success.
